An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest all of the limitations of the allowed claims. Newly found reference Park, et al. Park et al teach the implantation of Si in an aluminum oxide gate dielectric. The implantation may be by ion implantation(paragraph 0026 or by ALD(paragraph 0024).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
